Because great desserts start with great ingredients, we make everything from scratch. Our goal is to provide you with the freshest, most delicious desserts you can find. So while many of you were still sleeping this morning, The Sunshine bakers were hard at work baking an assortment of goodies, including cakes, breads, cookies, tortes, cheesecakes, and homemade pie. Love, care, and attention to detail are ingredients in every recipe we make. If you have a special request or would like to order some our fresh goodies to take home for yourself or an event, please see a server for details.
